

OFFICE OF THE GOVERNOR
California Agriculture Fair Season

On behalf of the State of California, it is my pleasure to welcome you to the 2024 fair season.

When we talk about building a California for All, our network of fairs provides an excellent example. Fairs serve communities throughout our great State, and they showcase the breadth of our diversity, inclusivity, and innovation.

California's fairs introduce our children to a wondrous agricultural bounty - a point of pride for the Golden State. The livestock competitions, educational exhibits, exhilarating carnival rides, live performances, entertainment, and offerings from local vendors featured at our fairs highlight California's cultural heritage.

As exhibitors, the fair provides you with the opportunity to showcase your hard work and commitment. Through your exhibits, the community learns more about California and its agriculture and values. Thank you for your support, participation, and for playing a vital role in California's agricultural community.

Sincerely,

A handwritten signature in black ink, appearing to read 'Gavin Newsom', written over a light blue horizontal line.

Ribbon Recycle Program

Do you have Redwood Empire Fair ribbons popping out of the closets, on top of garage shelves in shoe boxes or hidden in kitchen drawers?

The Fair would love to have them.

Start by going through all your awards and setting aside those that don't matter much to you. If you have a twinge of sentimentality about these lesser accolades, snap a photograph of them before donating them to the Fair. After sorting, if most of them are ribbons and lightweight, bag them up and re-gift them to the Fair.

Ribbon Recycle Program

Do you have Redwood Empire Fair ribbons popping out of the closets, on top of garage shelves in shoe boxes or hidden in kitchen drawers?

The Fair would love to have them.

Start by going through all your awards and setting aside those that don't matter much to you. If you have a twinge of sentimentality about these lesser accolades, snap a photograph of them before donating them to the Fair. After sorting, if most of them are ribbons and lightweight, bag them up and re-gift them to the Fair.

SPECIAL AWARDS TOP PLACING 4-H And FFA MARKET ANIMALS BORN And RAISED IN MENDOCINO COUNTY

“Born and raised in Mendocino County” is a program that supports our County and keeps money in Mendocino County. It helps support breeders and our youth.

As you are aware many of our youth have breeding projects but purchase market animals from out of county. Our goal is to encourage our young people to either raise their own market animals or to purchase them from a breeder in Mendocino County. We feel this Award will be an incentive in the years to come for leaders and parents as well as the 4H and FFA members to strive to improve his or her own flock, herd or support the growers from their county.

This is how the program works: The exhibitors with the top animals at Fair from the Mendocino County win cash Awards. The breeders will be recognized when the exhibitors win champion or reserve champion.
